“ I met Evelyn at River Terrace Estates. I am a part of a small group of "stitchers" who meet every Thursday morning. We knit, crochet, quilt, cross stitch or just gather to visit. Evelyn was a regular part of this group and we became friends. I finished a quilt a few years ago which became known as my River Terrace Quilt. Each corner has a quilted design representing the 4 ladies who were the regular ones who made up the group at that time. They were Henrietta Caylor, Florence Tucker, Verda Booth, and Evelyn Runyan. Her corner has bird houses and birds depicting her love for these fine feathered friends. She will forever be a part of my RTE family and I will miss her with you all.##imported-begin##Sherry Mann##imported-end##

“ *Vikki and Family;*

My sympathy to you, Vikki, on the passing of your dear mom. It was a pleasure to have your family as neighbors out in SE Harrison Township, and ride with you on dad's school bus route. Many fond memories.

“ *Sending sympathy to Evelyn's family from the Dwight and Doris Ann Wilson family. Dad worked with Floyd and Evelyn many, many years at FE and I had the pleasure of working with them for a couple of years myself in the late 70's. They were both nice people and some of Dad's favorites. Mom has always liked them, too, and we want you to know we are thinking of you. God bless.
