“ Hi Terry - I'm your Aunt Ostie's granddaughter, Betty's daughter. I won't be able to attend your Mama's service but I certainly remember her with fondness. I remember your kindness to my Grandma when you were in Hawaii you would write to her and she would share your letters with us. You came to visit her and Grandpa when you came home. I remember your Dad sending Grandma stamps. She treasured them and passed them down to our daughter, Tara (30). Aunt Flossie certainly lived a long life. Not knowing her condition for the past 11 years, while living in a nursing home, I know it's a relief to know she is now in Glory with her Savior Jesus Christ. I believe she is surrounded by all her friends and loved ones that have proceeded her in death. Our love and sympathy to you Terry.##imported-begin##Shari (Kirk) Paul##imported-end##

“ Terry, So sorry to read of the passing of your Mother. With Jim,s sickness and passing, we had not been up to see her in some time, but still thought of her. My prayers and thoughts are with all of you at this time. She was a nice lady.
