“ While it has been years since I have seen most of the family due to living in Arizona, as one gets older the sense of family becomes more apparent. The passing of one of the last two of the generation before us brings into focus the mortality of all. Greg, Pam, Josh & Jamie all send our condolences to all members of the family. It is important to remember all of the good times associated with Florene and the family members that have passed before her. Times like the family reunions at Bixler Lake in Kendallville, Christmas at Grandma's and Grandpa's house, weddings of family members etc. Florene and the rest of the family members were instrumental in establishing the sense of family. Heaven has another Johnloz/Decker in the fold. Death is only one day, life is much longer and is to be celebrated.##imported-begin##Greg Johnloz##imported-end##
