“ *Tammy, Terry, and Lisa,*

I am so sad to hear of your Dad's passing. I have such fond memories of being at your house on Wiley surrounded by laughter and love. Your mom and dad were two of the most generous and kind people I have ever known. Please know that I am thinking of you all.....and smiling at the thought of your mom and dad together again in heaven.

Sincerely, Diane (Fetters) McArdle

“ *Tammy, Terry and Lisa*

I was out of town and unable to make it to the funeral home. He was one of a kind and always fun to be around. My favorite memory is of one of those camping trips to Turkey Run in the late 70's. Your mom and dad led the way on a hiking trail that included ladders and took turns lifting Buffy your pet poodle up and down every step and ladder. He was one of those guys that I never thought of as "old".

“ *Uncle Butch: Pure kindness with a positive spirit and sense of adventure coupled with 5 dashes of ornery and a dash of rebel.*

The only things he didn't like were milk and arrogance. That's it. He lived live fully without complaint—even when he was dying of cancer.

He was truly one-of-a-kind. I treasure his influence on my life, and I'll miss him always.

“ I am so sorry to hear of Butch's passing. My dad, Ralph Smith, worked with Butch at Renner's Express and they had been friends many years. Your dad was such a kind and happy man, and it is an honor to have known him. They don't make many like your dad. My thoughts and prayers are with you during this difficult time.

“ I am so sorry for the family's loss. I didn't know Butch that well but what I did know and see was that he was a very nice and always smiling man. I am Karen's neighbor and would get to see him when he was there helping her with things outside. They also invited me to share in their moon flowers, watching them open up as dusk came.. What a memory.. for me..

“ When we moved back to Bluffton, we were so lucky to live just around the corner from Uncle Butch and Shirley. Uncle Butch was often at our house...either to help us with a task, take part in a fish fry, or even unknowingly walk right into a practical joke. He was a kind hearted man whose laugh and smile were paled only by his generous hugs. He will be missed tremendously by all who had the fortune of knowing and loving him. Our prayers are with the family and loved ones.

Love,

*A wink and a smile, kiss on the cheek, then a hug just for me, and pinch of my cheeks...
"Sis" they would call me, while they let me sit down, on the stool in the garage surrounded by them. They would talk and laugh, and tell stories too...
The memories of these Aschliman Men are embedded in me, the little blonde girl who loved all of them.*

“ If there were a description of Butch in the dictionary, it would say: "A man who never knew a stranger, always lending a helping hand. Started his day whistling with a song in his heart. Never failed to share a story, followed by rounds of laughter. A devoted husband, father, brother, uncle, best friend, loving companion--a light in a dark room." Oh, how we will miss Butch as he was dearly loved. Our loss is heaven's gain. God bless you. Jay and Mony

“ *Uncle Butch was an all-around awesome guy. He was my great uncle, so I only got to meet him a handful of times, but I feel blessed to have known him. The last time I saw him was when he attended my wedding last year. Not only did his positive presence light up every room he entered, but his voice and personality reminded me so much of his brother and my grandfather, Ken Aschliman, that it was as if he was there with us, too. It made for an unbelievably special experience. As sad as it is that Uncle Butch has now passed, it's comforting to know that he and Grandpa, and their other brothers and sisters, are now reunited in Heaven.* ”

“ *My family's prayers are with you and the family as we mourn the loss of Uncle Butch. What a great guy with a keen sense of humor and a terrific laugh. I remember him always being one of the first to arrive and one of the last to leave my granpa's sausage fries.* ”
