“ *Glenna was a dear lady who along with her wonderful colleagues took me under their wings and guided me daily when I began teaching sixth grade at the Bluffton Middle School in 1987. She was a Godly example of how to impact children positively. She taught me that the most important subject that we teach are the students entrusted to our care. Thoughts and prayers for her family.*

“ Carol, Randy, your spouses, children, and grandchildren all will miss your mom very much but there will be so many happy memories. Glenna was so kind and helpful to me when I started teaching at BHES. We became fast friends. She was a delightful lady. I regret that I am away from home and too far away to return for the service. Please accept my condolences.

“ Mrs. Lee was my 6th grade teacher and adopted my cat, Snookums, when my mom said the cat needed a new home! I always appreciated the updates she gave on how Snookums was doing.
Mrs. Lee was a kind teacher and a thoughtful person. You have my sympathy.

“ I am saddened to hear of Glenna's passing. She and her family were so kind to me when I taught in the Southern Wells area in the 1960's and 70's. I enjoyed teaching Randy and Carol, in fact I have a bookstand that Randy made for me on my desk right now! Glenna was a special lady and my thoughts and prayers are with the entire family.
