“ Dear Shirley I feel your pain today it’s not easy losing a child before we go! Also Randy, Bucky, and Kris so for your loss of your Brother Greg! Losing a Brother isn’t easy either I feel your pain too! It’s many years I have known the Buckland Family growing up close to each other near the neighborhood! I knew Greg but not as much as did the older two Randy, Bucky, and Kris! Didn’t see much of Greg but when I did he was a nice guy! God be with his kids during this tough time in their lives! Our heartfelt prayers go out to all of u and you grieve his loss! 🙏🙏🙏 May God grant u all peace, grace, and comfort in the days, Weeks, months, and years to come! God Bless the Buckland Family! Love, Barry and JoEllen! ❤️

“ I worked with Greg almost 30 years before he retired. His last few years we worked side by side. We both grew up in Bluffton but never met until working at PHD. We talked a lot about the people we knew, our kids, etc. Greg was a good friend and will be missed.

“ My heart hurts for his family, prayers of peace and strength to get through the days ahead. Greg was such a sweetheart. I use to babysit beside his home and he'd come over and we'd chit chat! Always remember he had a sweet, car, bike, and gorgeous hair. So sorry for your loss.
