“ *Lola & Family,*

*Harold Grimm was a great man and one I trusted and respected. Not only did I really value his wisdom, but I always really enjoyed his sense of humor and fun.*

*Know that I will be remembering you in my prayers that God be with you and strengthen you during this time of loss. While it is tough for each of you, know also that Harold was a blessing to many people as evidenced by the turnout at the funeral home.*

*Most sincerely,*
