

Heather (Jackson) Little

August 1, 1966 - May 26, 2022

Heather Jackson Little of Englewood, FL returned to her trusted savior on Thursday May 26, 2022. Gone too soon at age 55, Heather's life ended amongst family with great peace in Bavaria, Germany, where she had been receiving treatment for cancer. Jim and Celia Jackson's eldest daughter, Heather, or "Haha", as she was lovingly known by many of her family, enjoyed life to the fullest, had an abundance of affection to share, infectious charisma, and a purposeful approach to her life.

Heather grew up in Bluffton, IN, and following her graduation from Bluffton High School ('84), she earned a marketing degree from Miami University, where she served as President of Delta Gamma. Heather enjoyed her professional career, which took her to companies such as Kodak, and IBM, where she met her husband and love of her life, Rob Little of Edina, MN. Heather and Rob's love was certainly the warmest thing the frigid summer day they said their vows in 1992 on the shores of Lake Wawasee. Their family was blessed with three daughters, Mckenna, Claire, and CeCe, all currently in their 20's. Heather's endless love and selfless devotion to her daughters saw them develop into beautiful and strong young women who excelled in dancing, sports, academics, art and music. She was deeply involved in their lives from their early years, throughout college, and beyond.

Heather and family together enjoyed a multitude of life's gifts, from cabin summers on Crosslake in Northern Minnesota, to travel to interesting places, and visiting parents and siblings. She was an avid chef, baker, and

entertainer. No better carrot cake or margarita was ever made. She and Rob enjoyed active playtime daily and were constantly enjoying biking, swimming, rollerblading, or walking and chatting. Heather loved the Lord, and felt his presence in all things. She spent 20+ years in leadership roles of Bible Study Fellowship. In addition, she took part in ministry through the HIM4Her organization, working with women recently released from incarceration. Heather and Rob were members of Grace Community Bible Church located in Venice, Florida. Following her passing, her daughter CeCe was quoted as saying: "Thankful to have such a strong, God-fearing woman in my life to show me the importance of walking with Christ daily. At peace knowing you are killing it in the kingdom. I love you." Heather is survived by her husband Rob Little, Englewood, FL parents Jim and Celia Jackson, Syracuse, IN; in-laws Susan and Phil Little, Edina, MN; siblings Todd Jackson (José Medeiros), Atlanta, GA; Lara Jackson, Minturn, CO; Chelsea Eul (Eric), Minneapolis, MN, and Conor Jackson (Ashley), Bluffton IN, and many brothers-in-law, sisters-in-law and nieces and nephews.

Services will take place at 9:00 A.M. on Saturday, July 2, 2022, at First Reformed Church in Bluffton. Burial will follow at Six Mile Cemetery. In lieu of flowers, please consider a donation in Heather's name to: Community Impact Malawi <https://www.communityimpactmalawi.org/> or HIM4Her Ministry <https://www.him4herministries.org/>

“ *To Heathers Beloved Family, I have not seen Heather since graduation from Miami. She was a year older than I and I ALWAYS looked up to her. She was so SMART, driven, but KIND and warm and compassionate. She had such a tender way about her. I can only imagine she was just an INCREDIBLE Mother and wife, giving just as much love as possible to all. May God continue to provide the comfort of knowing that his gaze is now upon her. I wish you all continued healing and peace. Love, Aimee Reaume Mooney*

“ *Your Christmas card was just returned so I did some online investigating to find the new address and saw this. To say I was shocked would be a major understatement. I am so very sorry to hear that Heather passed away. She was such a good friend to me at IBM and a light to everyone that knew her. She was a shining example of positivity and love. I can still hear her laugh in my mind. To Rob and the girls I send my deepest condolences and may her smile live on inside each of you.*

“ *My deepest condolences to Rob and Heather's whole family. Sadly, I just learned of this very sad news. Heather was a beautiful person. We were neighbors and while we only saw each other on occasion she would light up a room and I am so glad to have known her and find comfort knowing she had such strong faith and is now resting peacefully. Sending love, light and healing to her family and all of her dear friends. She touched many.*

“ Jim and Celia, when I saw this it absolutely broke my heart for you and all the Jackson family. Although I never knew Heather, I feel like I did. When I visited with both of you in Englewood I remember our conversation about Heather’s struggle and sharing with you a similar experience with my niece Angie who also fought as hard as she could, for as long as she could. So here I am.....writing this through the tears as your loss somehow brings it all back. I wish both of you much love and strength.
