“ We are sorry to hear of Jim’s passing. He and his whole family were very precious to our family. I remember the support they gave us many times. What a wonderful show of Christ’s love they showed us.

One day Jim came to fix our well. He sat on the ground about 1 1/2 hour just sitting there. Here I’m inside wondering when is he going to get working. (He’s on my clock)! Then he got up and started to work. And in no time it was fixed!! Needless to say I was very impressed.

We love your whole family. You were one of the BEST parts of living in Decatur
