“ *I am part of the BHS Class of 1972. I want to extend my sympathy to the family and friends Jim leaves behind, especially his companion/caretaker. I will most remember Jim from our days in junior high band playing clarinet. We were together almost all the way through school. I still have our pictures from grade school. He is part of many fond memories. God bless.##imported-begin##Valerie Wilson Jackson##imported-end##*

“ I had the honor to work with Jimmy for many years. He was an honest person and never minced words. A rare quality in today's word. May he rest in peace.

“ I have fond memories of doing cool things with JET. I can honestly say that he was one of my very best friends. We both attended De Molay meetings together, suffered through long days at Bluffton High school. Jim will be missed and a day won't go by with out my thoughts being on all the fun stuff we did together. My fondest memory is when he and I would ride around in his black convertable. I think that it was the first car he ever owned. The last time I spoke with James was at our 20th high school reunion. Rest in peace go friend.##imported-begin##DOUGLAS E. MYERS##imported-end##

“ Verna Mae,

*I want to express my deepest sympathy to you and your family over the lost of your son. I do pray that you will find comfort through your church, your family and your friends. I can not imagine how hard it would be to loose a child. I know how hard it was for my mother, when she lost one of my brothers. I will keep you in my prayers and may you find comfort from those you love. Armatha##imported-begin##Armatha Hook Green##imported-end##*
