“ Joyce: I had many good laughs with your Jim way back in the fifties. We had mutual car interests together. I think of him often. Life has an expiration date, best we don't know.##imported-begin##Jim Robbins.....Las Vegas##imported-end##

“ To all of Jim's family. I have known Jim since I was a kid changing his truck tires when he worked at Habig's. I got to know him best when he started delivering parts for NAPA. I always had fun with him. If I wanted to fire him up a bit all I had to do was ask him what he thought about something in politics. Township, County, State, National, even International, it didn't matter they were all crooked and worthless and he didn't give two cents for the whole lot of them. I liked Jim because you never had to wonder what he thought about any issue all you had to do was ask him and he would tell you. If you didn't like his answer that was OK but you probably weren't going to change his mind, I know I never did. He was a cool guy and will be missed, keep his memory alive by driving his old car thru town once in a while, he would like that.##imported-begin##Kurt Gentis##imported-end##

“ Dear Brian & Kathy,
We are so sorry to hear of Jim's passing, and have you in our thoughts and prayers. He is probably driving the truck that spreads gold for the pathways in heaven!! We always liked for him to bring our stone for the driveway, because he spread it to "perfection." God Bless you.##imported-begin##Marion & BJ Gray##imported-end##

“ Joyce and family-I read of Jim's passing with a great deal of sadness. It renewed some great memories of good times with Slug, Faussie, Jigger, Mouse-man and many others (and, of course,) Nobe's '56 Chevy.

He was a fun part of my younger years. You have my deepest sympathy-he was one of a kind.##imported-begin##Charles Booker##imported-end##
