“ Dear Hullinger family, I am so sorry for your loss. I have such fond memories of both Jane and Bob. My first apartment was above their garage at Lake Webster. It was my first year of teaching. The kindness, guidance, and encouragement that they provided will never be forgotten . Jane would often invite me in for dinner especially during the winter months for a home cooked meal. The city of New Orleans has a special place in my heart. I have often retold Jane's stories about as a young lady working at the campus bookstore at Tulane during the summers without AC while Bob attended Tulane. May all the wonderful memories you have of Jane bring you much joy, comfort and peace.
