“ *Waters and Smekens families, Such a sad time for so many. You've had a tough couple of years. MORE than tough.*

Some of my earliest memories of Jane are of her having the coolest blue "big girl" bike while I was still on training wheels, her incredible John Lennon impression, and her talent of banging those drums to the latest Beatles albums. I also recall your swimsuits on the clothesline continually. It seemed you were allowed to go to the Psi Ote every day! How awesome!

Among Janie's other talents was pointing out to me that "Smekens" can nearly be spelled the same frontward and backward!

So many good memories of Jane (and Joe). Thinking of you all and wishing you God's peace and comfort in the days ahead. Cherish the memories. Valerie and Doris Ann Wilson

“ *Greg and Sara,
I was so saddened to learn of Jane passing. She was one of the finest people in Wells County! Remembering when she worked at the Old First Bank and she would always have a smile for the customers. Her smile is what I will remember so well. Her eyes seemed to smile also. My thoughts and Prayers are with you at this time. "Janie" was a true jewel!*
