“ To Janet's Family & Loved Ones,  
We all are so very sorry for the "Passing of Janet", she was a true and loving lady", I enjoyed having her for a "dear and close friend, and a Club Member of the "No Name Club (Bunco). She is & always be so missed by me & and the Club. She was always there to talk too, to listen, to give a helping hand to anyone. She was a "angel", now she is at Peace & with Jim, (he was a great man also). They both are in no more pain, free to walk with "God & the Angels". We will see them all and Our Love Ones someday. Oh what a Blessed Day that will be. And you the Family will be with your Mom too someday. She would not want you All to be sad, just be happy for her, and know that she is very happy and at peace now. May God Bless You All. Im here for each and everyone.

*Sincerly*

“ I have only known Janet for 2 1/2 years thats the amount of time I have dated her son Jeff. In that time she was someone I could confide in and had become one of the best friends I could have ever asked for. I had seen her go through some hard and lonely times as she had me. I really loved Janet and would have went to the ends of the earth for her and I think she knew that infact that's one of the things that gives me a little peace of mind. I still wasn't ready for her to go though as are friendship wasn't near long enough. I will see her again one of these days and we can start where we left off. Thank you Janet for everything, Thank you for raising such an amazing man I will take care of him always, he is the love of my life and you were a friend that one could only pray for.

Love You,

Tammy Wyatt###imported-begin##Tammy Wyatt###imported-end##
