“ *Janna was an awesome lady. From the time I met her in an exercise group until now, she always asked how the family was doing. She put me under her wing and always said hi when she saw us at Walmart. She loved sending my daughter color street nails and told my daughter she made great decisions on her nails. God took an angel away from us. Janna's time with us and her family (she was stinking proud of her grandkids!!!) was cut way too short. Thinking of her family especially those grand babies that she was so proud of. The Ehrhart Family and the Poor's will miss seeing her smiling face.*

“ Jim, I am in total shock and disbelief as I am sure you are. Janna was so precious - every moment I have known her, since she was born, she was the sweetest thing with the world's most beautiful smile. I am devastated at the news of her untimely passing. I can't begin to wrap my head around this and I can't imagine your heartache.

Please know how much she was loved by all of us, and how desperately sad we are for you and your entire family and so very sorry for your loss - our loss. You will be in prayers in the hours and days ahead. Wishing we could be with you at this terrible time of shock and disbelief to help shoulder your burden and lighten the load you carry.

We loved her, we love you, and we are praying for your strength and peace.
