“ *My deepest condolences to the family of Jared Beer. May you have comfort and strength. I worked with Jared, I was his Administrator, he called me boss. He was a great worker, but always had time to make me smile. He would prank me because he knew I could take a joke. We would laugh. From 5 to 6 people would say sounds like a party, he would send me party emojis, we would laugh. He also helped me when I was going through a tough time, always made sure I was Ok. He's truly missed.*
