“ *Just thinking of you. Almost three year have passed since you departed from us. Not a day goes by not I'm not thankful for you and the greatest gift you could have left me. Our daughter. Things aren't perfect or always what I want them to be. Just know I'm trying. I'll never quit or give up. Thank you for always loving me and being the best dad you could have been. You'll always remain right on my heart. I'll take you to my grave with me. As the tears are falling down my face I know you're in a better place and at peace.. be with your daughter always.. she always talks about her daddy in heaven. I sure you hear her songs and laughter. I see your smile when she smiles. I love you..*

“ He was a special person who was always willing to help others out and show the true meaning of friendship. He loved his family, especially his children. It was a privilege to know him, to laugh with him and to see him smile. He has touched so many people in his short life and will never be forgotten!
