“ I just heard today about Jason. We hadn't talked in quite a long time. But, I have nothing but good memories of him. He lived diagonal behind my house, and we used to jump the fence to hang out when we were in middle school. Nothing but endless summer days bumming around and dreaming of what life and high school would be like. I hate to hear that he's gone. Prayers and love to those that have lost him. — Stacey Lane Grosh
