Janet, Jill, and Tyler,

I was so saddened and sorry to read this in the paper. I have great, wonderful memories of Jean. We spent a lot of time together in our early 20's and we had so much fun. She was always a great friend, one who would cook her famous cabbage rolls for a birthday dinner, or drop by for lunch and share her ham salad sandwich with you. I will always consider her a great friend. I am saying prayers of comfort to all of her family. Hang tight to all of your beautiful memories of this lovely soul, they will help carry you through this tough time.
