“ I first met Jenelle when we were both members of the Antique Dealers' Association. We worked together on all the details of Antiques in the Park for several years. She always had a sweet smile for everyone involved, and she work hard to make that show the best it could be. She will be missed as the owner of Nature's Corner, as well as a dear friend.
I know she will be missed by her family as well. God's blessings to you as you grieve her passing, and may you cherish memories for many years to come.

Jenelle has been my sister in law for many years, just because she and Denny divorced never mattered to either of us. We still had the same relationship, she was way more of a sister to me, than an in law. I cherish every moment I was privileged to be able to spend with her! And I'm so happy I got to see her just recently at a happy occasion! GOD rest her precious soul and bless all of her babies, as she will be sorely missed!!
