“ I am so sad to hear of Jerry's passing. I have known him for many years, late 40's to present. I have worked with him at Liechty Motors and have helped him move into the house that he has passed in. We used our grander tractors to move gravel and dirt into the barn for the shop section. Two big kids playing with their toys. When ever I came home we would always get together to visit and in the last few we would be calling each other to check in. I will miss those visits and phone calls very much. I am proud to call Jerry my friend and I will miss him.
To)Jerry's family I am sorry for your loss and my condolences to all.
