“ I lived down the street from Jill when I was younger, we also went to Highschool together. We spent a lot of time together when we were teens. I have so many memories of the fun that we had! She was such a sweet, and loving Soul! We stayed in contact up until her first 2 children, they were maybe toddlers, is the last time I saw her. But throughout the years I have thought about her and some of the great times that we had. I am so sorry for the grief her kids, family, and loved ones are going through.. My condolence's, Diana Jump

“ Sis-n-law, we go waaay back, Northside High School when you started dating Corey Preston. I remember when he brought home so we could meet you and you was carrying Corey, Jr. At the point, my family became yours. We accepted you with open arms and you have been a Preston ever since!!! You endured so much pain within your lyfe journey and now the suffering is over. May the hurt move gracefully away from my 3 nieces, ((Avaya Preston, Kiesha Preston, JoJo Bowman and my 4 nephews, (Corey, Jr, Nathan, Prince & Jordan Preston). You rest well sis!!! Moma Yonnie got the kids & grandkids 🌸👊
