“ *I had the honor of getting to know Jo while I worked at Crown Pointe. We grew very close when I worked there and I would always call her “Sunshine”. She was always her unapologetic, sassy, wonderful self. I am blessed to have known her and I’m blessed that she was able to know my son. I loved visiting with her when I would come back and visit Crown Pointe. She was such a light in my life and I will miss her so much.*

“ Years ago I met Joanne, when I was married to a son of Robert Rea. She was a delight to be around and always treated me with respect and showed an interest in my life. Joanne's family has my sympathy. Remember the good times, and she'll live long in your heart.

“ Our hearts are broken, but heaven has gained an angel. It is so hard for those who are left behind, but our memories are endless, so many things made you special. I will miss so much our phone conversations and the laughter that accompanied them. May you rest in peace, Aunt Jo.

“ Rodney, Penny, Perry, Stanley:
Your mom was one of my favorite people. She had a wonderful sense of humor and a contagious laugh. As a teenager I would often stop by, just to say hi. She always made me feel welcome. Family vacations were always an adventure with the Clamme family!
Fond memories of everyone.
