“ *Dr. Mcglone helped many of my patients that I referred to him over the years. He could come up with the correct diagnosis and successfully treat complex foot problems. He was an excellent podiatrist. He was a kind and generous person.*

“ I enjoyed the many years that I worked with Jack at Bluffton Regional. As a general surgeon there our paths crossed nearly every day. He always had an interesting comment or story to tell.
Our sympathy to the McGlone family.

“ So sorry to hear of the passing of our cousin Jack. Within the McGlone/Baker/Murray family of 1st cousins, Jack was the oldest and I am the youngest. His sister Joanne has kept in touch with our family over the years. May God bless and keep Jack for all eternity.
