“ *John came and stayed in our spare bed twice last year after we asked him if he would like a break from outside, during nasty cold and such.. He was a pleasure and left his bed as he found it ... We had figured he was a safe person from communicating with him on paper some over the year... He believed and confessed in the name of Jesus ...*

Look forward to seeing you in heaven John. Oh what a glorious day that will be for me and you !!

Your Good buddies, Geoff n Sara
