“ *My deepest sympathy to all family members. John was such a sweet caring man. He loved his family very much. My fondest memories of John are the many Easter and Thanksgiving dinners plus Christmas breakfasts that he joined all of our family. He was always welcome at our home. I found him to be a quite, gentle man. R.I.P. John. You will be so missed by those who loved you the most. If you see Robbie Hosler flying with the angels tell him momma misses him terribly.*
