“ *The Hannah's were neighbors of John for a number of years, we lived on the Day farm just east of their place. The one thing I remember was the fire at their house. I was working in the field next to their property when I saw smoke. at first I thought John was burning trash but when the fire trucks went past, then I realized it was the house.*

John was a good neighbor. My sympathy to all the family.

“ *We send our sympathy to John's family. His sister, Esther, was my school teacher and I, (Nancy) thought so much of her and John.*

He was a wonderful example of a Christian man in his home and community.

God bless his family.##imported-begin##Tom and Nancy Haiflich##imported-end##
