“ My heartfelt thoughts to you Vonda, I am truly sorry for your loss. I will miss the occasional chats with Joe, and I wish I could have met my brother. I was so happy to find him after all these years. I wish we would have been able to go to the baseball game that we talked about several times. By seeing his pics, and talking with him, I know we would have been not only brothers but the best of friends. God speed bro!!
