“ To all of you that loved Joe, my heart goes out to you. He was a very funny, caring and smart person. I only have met one other person that loved to talk (to anyone) as much as Joe and that was his Dad Dewight. Memories are what keeps us going and you all have many good ones. Blessings to all.

“ J.J. was always there to help. He would work closely with me to make sure that grounding was right, that the zone of influence was properly avoided, that the sites we worked on would always be safe. J.J. made my life better, and though he's gone down the path before me, I look forward to seeing him again.##imported-begin##Tony Marshall##imported-end##

“ I have worked with many times over the years at GTE and Verizon. Most recently about a year ago he gave me advice about what to expect in my battle with Cancer. It has been a lot of help to speak with someone else in the same situation. So far I am doing well but it sure was nice to have some idea what was coming. JJ will be missed.##imported-begin##Chris Huang##imported-end##
