“ On a whim, I googled Joyce's maiden name today. I was shocked to learn of her passing. We were close at ITT Tech, but lost contact--she moved on to Magnavox (the Seargent York DIVAD fiasco, if I recall correctly), I moved on to States Engineering, her to Florida (i think) me to Chicago.

*I am sure she found happiness and some peace. Truly, I am sorry for your loss.*

“ I have such fond memories of my childhood, living across the street from the Christman household. I think Cookie was my first childhood friend, and what a great one she was. There are pictures of us eating tomato soup with ritz crackers and sitting on our apartment stoop. Such great memories!! Over the years, Cookie and I would re-connect but I felt very blessed to be able to email back and forth with her over the last year or so. We reminisced and caught up. I'm glad she is no longer in pain and will miss her. Thoughts and prayers are with all of her family!!
