“ *I am sending condolences and prayers to the whole family. I have known Joyce and her family for about 48 yrs. She and Rex were our landlords when I was first married and Joyce babysat our first child for a year when I was teaching kindergarten at Liberty Center. And she was cooking for farm hands at the same time! She was a very loving, caring person whom I liked a lot. She always did things from a Christian perspective, and I appreciated that in her. She and Rex helped us grow our first garden with them at the dairy farm where they previously lived. I got reacquainted with her, after many years not seeing her, at the Nazarene church. She will be greatly missed by her family, I am sure.*

“ Joyce was such a special lady. She and I worked together in the Sunday School office for many years together and she always had something nice to say about my family. I really enjoyed our time catching up on Sunday mornings. She and Rex are wonderful people and she will be sorely missed!
