“ *I too remember Judy from her days in Odon and Ard's grocery store. Some business owners today could benefit from having known Judy and the manner in which she ran her business. Always a smile, time for a friendly chat and the customer was always right (even when they weren't). Judy was a true friend to many in this area and was truly missed when she left. May she rest in peace.*

“ *Judy Ard was friends of many when she owned our grocery in town of Odon. When you walked into the store she was there greeting her customers personally. She was missed when she left. I had lost track of Judy. I hope her life was good. My sympathy to her family.*

“ We have many fine memories of Judy. Most everyone around shopped at the Ard's Finer Foods in Odon! I loved it when she put in an ice cream machine. Judy was very involved in our little community and when she left, she was greatly missed. She would be happy to know that her store is now called The Barn and is used for ministry events for young and not so young. My condolences to her family.

“ Judy was my first friend at Ossian United Methodist Church. She gave me her Life Application Bible when the print became too small for her to read. The Life Application version of the Bible was a great tool for me and helped me to grow in my faith. Included in the Bible are many verses she had underlined and were important to her. I will always remember her kindness and generosity. Amy DiNovo Hathaway

My sympathy to Judy's friends and family. I always admired her energy and her caring nature when she owned the grocery in Odon, my home town. I know everyone felt like she was such an asset to the community in so many ways. Blessings.
