

Mrs. June Grove

June 13, 1926 - April 1, 2014

Marjorie June Grove, 87, of Bluffton, passed away at 2:45 p.m. on Tuesday, April 1, 2014 at her home.

June had been a resident of Bluffton since 1948 and was well-known throughout Wells County for her long association with the News-Banner and for her involvement in community activities.

June had been a feature writer for the News-Banner for nearly 40 years and had written more than 1,000 stories of human interest about people and places in Bluffton and Wells County.

In addition to a weekly feature story, June also regularly wrote humor columns, including "Bumps in the Road" and "A Chat with Bratt." She also wrote many feature stories about children involved with the Wells County Boys & Girls Club.

A highlight of her reporting career came back in May of 1980 when she was given the opportunity to fly in an Indiana Air National Guard F-4 fighter jet with Lt. Col. Joe Briner as part of an interview and story she wrote about the Bluffton pilot.

June was an active participant with the Wells County Boys and Girls Club and served on its executive board for many years. She also spearheaded for many years the local American Cancer Society's "Relay for Life" annual fundraiser. June was also an avid volunteer at the Wells County Animal Shelter.

June was born June 13, 1926 in Sulphur Springs, Indiana to George and Virginia (DeHart) Hunt.

She graduated from Peru High School in 1944 and from Ball State Teachers College in 1948 with a Bachelor of Science degree in English. She graduated with a double major in English and history.

She married Donald Jean Grove on Dec. 31, 1949 in Peru. He preceded her in death in October of 1995.

June was a teacher at Bluffton Central Junior High School for several years before accepting a teaching position at Adams Central High School. She finished her teaching career at Belmont High School. She also wrote feature stories at the Decatur Democrat newspaper for many years.

She is survived by a son, Dr. Dana A. Grove and his wife, Trinh, of Oak Park, Ill., and two

grandsons, Antony Grove of Kansas City, Mo., and Orion Grove of Oak Park, Ill. June was preceded in death by a son, Doug Grove, in 1978, and a brother, James Hunt. Family members will welcome June's friends at Thoma/Rich, Lemler Funeral Home on Saturday, April 5, 2014, from 2 to 8 p.m. Services will be held at the funeral home on Sunday, April 6, 2014 at 2 p.m. with one hour calling before. Pastor Roger Abels will officiate. Burial will be in Fairview Cemetery. In lieu of flowers, the family asks that memorials be designated to the Wells County Boys & Girls Club. “ *Dear Dr. Grove,
You may remember the Lampton family from over on Parkway Dr. when we all lived in Riverview. Those were happy fun days for all of us. June wrote several feature stories about me and my career in Ballet and starting the School of Ballet in Bluffton. She was a delightful woman. Her stories were always delightful, full of human interests. I will miss her feature stories. Beth Lampton*

“ *Dana and family,
Your Mom was one of my favorite teachers. She was affectionately called "Mom
Grove" by a group of us that had her as: a great English teacher, AC school
newspaper supervisor, theatre director, etc. We had a blast with her, though
sometimes we gave her fits with our ornery antics! Her tough senior English
course helped prepare me to follow in her footsteps and pass the English Comp.
"weed out" class at Ball State.*

*She will be dearly missed. You have my thoughts and sympathy today and as you
move forward. You had one great Mom!!*

Sincerely,

“ I am so sorry for your loss. I didn't know June personally, but I know she was a very special person because she was a great friend to my sister, Tina Morris. Tina talked about June often, and I know she is heart broken as well and will miss June tremendously. Not many people are allowed into my sister's heart, but June was. I am sure she was Tina's angel on earth and God will so accept her home. Again, you have my deepest sympathy!

“ Aunt June's house was always the heart of our Grove family gatherings - It was impossible to go hungry for even a minute while she was hosting us and she would always take my side when the uncles would start their relentless teasing. I loved every minute I spent with her and Uncle Jean and Shadow. My Thoughts are with you Dana, Trinh, Antony and Orion. Love, Sara

“ To the family of Mrs. Grove. I was a '71 grad of Adams Central who truly remember her as not only one of my favorite teachers but also one of my best teachers. I had thought many times over the years of looking her up to say thank you. She made me think, not just what was happening right where we were but to think beyond and to push myself for more in life. As a junior I remember her in charge of the year book which my friend was editor and many of us, including our exchange student, helped with and spent much time in her office/room. As a senior she pushed me in literature and writing that I had not done before. She prepare me for college. She's part of my memories of high school. My prayers and sympathy go out to all of her family and friends.

“ Dana and Family, so sorry for your loss. Recently I had called June and we chatted and she told me about her illness, and how she disliked being unable to get out and about. She was so proud of you Dana, and she said "He's a Dr" now! June and I had many many fun times and I took her on many of her interviews, and to get her hair done, then she would insist on treating me to breakfast or lunch. We volunteered together at the Food Bank for several years, both loved Animals, and served on the Boys & Girls Club Board together. I remember taking her to Indy for one of her eye surgeries and before she went into surgery, she told me how she believed in God. So many things that we did will always have a special place in my heart. Godspeed, June~~You deserve to have a well earned rest, but you leave a void in so many hearts that no one else can fill. Thank you June, for all that you did and now enjoy your reunion with "Sunshine" and "Shadow".
