“ *I am so sorry to hear of Kay's passing. I knew Kay from Early Childhood Alliance, I am a home provider and Kay was always there for me. She provider the best support and love for childcare providers, if there was an issue Kay was always there to lend a helping hand. I also had a special connection with Kay on the military side, I had a son that deployed and Kay would always take the time to give me encouraging words even after the loss of her son. She will always have a special place in my heart*

“ Kay always made sure the kids and I felt welcome at her home. My favorite conversation with her was about the blizzard of 72'. She was running a day care and ofcourse they were snowed in! She found a way to make even a situation as intense as a blizzard a good memory:)
