“ One of the Best Times in my life

Tom and I had many adventures together when we worked the migrant camps in Bluffton, Ossian, and Petroleum for three years. He purchased a trailer and a sound system so we could move from camp to camp delivering food, showing evangelistic films, and giving testimonies. We also traveled to McAllen Texas to look up the people we met in those camps the previous three years. We traveled from McAllen, to Edinberg, Mission, Mercedes, Brownsville, and Harligen, and many other small towns. The look on people's faces was priceless. They never dreamed two men from Bluffton would come to visit. They saw us on their porches, in a paint shop, even a high school locker room, where a young man had injured his ankle. He was totally shocked to look up from the stretcher to seeing us standing over him and offering prayer. What fun. They realized we cared about them. Tom was the best person I could have taken with me. They all called us big Tom and little Tom wherever we went. On to Monterrey, Mexico by way of a 1953 Trail Ways bus to visit a missionary. We went door to door praying for individuals, witnessing to them and inviting them to church for evening services where Tom testified and I preached to them about the love & forgiveness in Jesus. Tom Terhune was my partner in ministry and my friend, we had great times together. That trip opened the door for six more teams to make such trips over the next several years. (82 people in all) You will be missed Tom.

“ Tom was such a great friend! Michael spent many good times talking with him at the Dutch Mill. :) He also has great memories of Tom being his soul-winning partner and teaching Tom voice lessons because he wanted to sing in the choir. Renee' & Michael both enjoyed Tom & Dorothy visiting us in Flint when our 23 year old son was a baby. We have a treasured picture of him holding Andrew, which they often did. :) Michael's favorite quote from Tom becomes more and more appropriate with each passing year: "When you reach a certain age, whatever doesn't hurt, doesn't work!." He is much loved and will be missed. Our prayers are with you all.

“ Tom truly was a great person and will be sadly missed. I am 64 and do not remember not knowing Tom. As a child he spent time with all the children in Bluffton and was the one person we all looked up to. Wells County has been blessed by Tom Terhune and he can never be replaced in our hearts. He was always served Wells County and Bluffton.
