“ *I have known him all my life-he was my first cousin, well my 2nd actually, but his mom and my mom were really close, so his and my family spent many hours together growing up. Kevin and I went to school together and as teenagers, did quite a lot together. Sad to say, we kinda lost touch later on, as a lot of us do. But, he was definitely a nice, funny and sweet guy. My Sincerest condolences to Kevin's sons and family.*
