“ For some unknown reason, there are times when an Angel is on loan, but for a short while, and walks among us. When they are called home, it is profound for those left behind to go one without them. Lana Rose Singleton was one of those, God's Special Angels. We pray for strength, for peace and for comfort for her Family, and ask that Lana Rose's sweet memories sustain them with her love, and contagious smile. Such a sweet, sweet little girl who has left her little foot prints on the hearts of those who love her. "Love Never Dies ~ Love Is Endless" ~ Our deepest condolences with love go out to Lana Rose's Family. May the peace of the Lord be with you all. <3 ~ Sharron & Geoff Hewston

“ My heart is with you during this difficult time. Her angel wings will fit her perfectly & she'll watch over you just as you have for her short but beautiful life.

Katee Gerber - February 22, 2014 at 10:45 PM

“ *Your light here on earth flickered out way too soon.
But your light in Heaven is as bright as a million stars, and the moon.
Remembering your sweet smiling face and your contagious laughter,
it gives us comfort, for we will met again, in the ever after.
Our broken hearts and tears of many are flowing,
like river to the sea, we know your are glowing,
Your angel wings in Heaven are a glorious sight,
As they gently flutter day and night.
Memories of you we will forever cherish,
Our love for you shall never, ever perish.
The echoes of your footsteps and each breath that you took,
We can almost hear and see, if we really look.
As you look down on us as we grieve your passing,
Our memories of you, will be everlasting.
Our sweet little Lana, is now peacefully sleeping,
We whisper I love you, as we are weeping.
It isn't fair that you were taken away,
But God had His reasons, we will learn someday.
Your light here on Earth flickered out way too soon,
But your light in Heaven is as bright as a million stars and the moon.*

That God may help heal the pain from losing a precious love like this. So many questions, so many un-answered questions of how her life could have been. What she could have accomplished. Only God knows the answers. Life goes on without little Lana Rose, but we will always miss her and what she would have accomplished in her life. We lost a precious child, but Jesus gained a little angel. Miss you Lana Rose.*

“ I loved to hear her when they would call me to tell me something. She had a cute way to say MiMi. I cant comprehend that I will never see her smile or hear her cute voice again on this earth. I am thankful that I moved here and had the special times that I have had with her the last 2 years.

*The pain that goes from my toes to the ceiling,
and consumes my mind, that is the pain that I am feeling.
The doctors and nurses say you're dead and you're gone.
But I still feel like I could talk to you on the phone.
No matter how many oceans or rivers I cry.
My heart will never let you go, I'll never say good bye.
I am thankful for the memories of special times with you.
I'm glad I was part of your journey before you got your wings and flew..*

RIP Lana Rose...
