“ My thoughts and prayers are with you Bonnie and family. Larry was a shining light of his own. Always kidding around and his laugh and smile I'll miss the most of Larry. Loss is always hard but knowing Larry will always be with you helps. That he is with his family that gone before him watching over you all. I will always remember when Larry and Bonnie walked in my center when I worked there. I always had a smile on my face because Larry and Bonnie always made my day. I always knew that I will be laughing with those two. Great couple and now one with wings and a giggle that goes on for miles. RIP my friend.
