“ Fuzzy provided us with many things growing up like a kick in the ass when we needed it but also work when we needed cash. I have so many memories of Larry that I could go on forever. I remember one time we drove all the way some where to work on a rental house and forgot to load the linoleum in the van...man he was pissed...hollered at us all the way home to pick it up and back again but still hired us again the next weekend! Fuzz you will be missed.

“ Pansey and Rusty,

My deepest sympathy to you for the loss of your dad and to CJ for the loss of his grandpa. I got to know Larry better these last couple of years when he would come to listen to Heaven's Harmony sing (a Christian group I sing in). He had come to know the Lord Jesus Christ as his Savior. Despite his illness, he hung on to hope that he was a forgiven man and going to spend eternity in heaven. My prayers are with you both.

Love,

He was a man who loved the Lord and the times I spent with him was precious...Always enjoyed his happy spirit and his joy. He was truly a very loving man. He did appreciate every thing I did for him...I was with him for his doctor appointments and his many treatments...Also trips to get him away from it all.Remember him climbing stairs in a windmill in Holland Michigan 5 Or 6 landings....when he was in later stages of cancer.Loved this man very much and believe he is rejoicing in Heaven today...His mother prayed for him on her death bed....
