“ Dearest Leontien,
Always you will be remembered for your loving being. We all miss you so much already.

I am sorry you suffered with cancer, and glad your physical pain is over. Too much for someone so young to bear.

*I believe you are *light* now in all ways.*

God keep you safe in heaven, and angel there as you were an angel here in a different way.

I believe we will meet again one day.

Maybe it sound silly, but I don't know how else to understand the loss of you than to think you are in a better place now where everything makes sense.

I hope in your memory that your husband Bastien (sp?) will run the farm beautifully and make it everything you ever wanted it to be.

From my heart and soul to yours, dear Leontien, your memory shines bright, though my tears which gather at my eyes that you are gone.

*Love/Hugs,
your cyber friend*
