“ *Dear Vaughn, David, Lisa, Rob and families, I was heartbroken to learn of Linda being ill and then getting the message of her passing. As you know, Linda and I were friends from 8th grade and what a dear friend she was. I am so glad that I got to visit Linda at the Hospice Home on Wednesday, but still I thought she would come through her serious illness and we would be doing lunches again, but God had other plans. She was one of the strongest people that I know, and I will miss her so much, but her memory and the wonderful times we shared over the years will forever be in my heart. I love you all so much and loved her so much as well.*

Love, Beryl (BJ)
