“ Me and Lynn have been friends many years. We first met at brc in Bluffton, we shared many a good day there together, laughing talking and just cutting up. She had a very good sense of humor and an unbelievable heart of gold. We last contact for a long time, but every time we did run into each other it was like we had never skipped a beat. I'll miss you and I love you Lynn RIP sweet lady. You'll always remain in my heart.
