“ To Kelly and all other family members who loved and lives were enriched by this very special lady, Lynne and I send our deepest sympathy. Knowing and working in the same building at Bluffton Regional Med Ctr., we and Dear Linda crossed paths and shared stories and much laughter. Her smile pushed away any darkness. We are so sad, but so thankful she was part of our and many others lives.

“ I worked with Linda for many years at Bluffton Regional and she was a great friend and employee. She was always so pleasant to all the people she took care of. I remember when Lyla was born she was such a proud grandmother and so devoted to both of her kids. I did not have the opportunity to know the kids, but had met Kelly of different occasions. My prayers are with the family. Karyn Gilly
