“ Julie and Bonnie,

Our parents were good friends and both milked and farmed. They had a lot to talk about and enjoyed getting together. Your mother was a lot of fun and would get so tickled about things! Wow life goes by so fast! Just wanted to let you know were thinking of your family for your great lost.

“ *Remembering all the good laughs we've had with Lou and Ted. A delightful cruise to Alaska, talking farming, being close neighbors after the tornado, sharing meals, and the list goes on and on. Great friends, good neighbors, fantastic people. My heart cries with you, Julie and Bonnie.*
