“ Helen and family,

Your family is in our thoughts and prayers. We were saddened to learn about Lucky. Helen we think so much of you and your family. Helen you are a shining example and mentor to me. I enjoyed working with you while I was in high school. I enjoyed helping you out in the athletic office. May you feel God's presence, strength and grace for the coming days ahead.

God Bless,

“ To my dearest friends - I cannot stop thinking and shedding tears for you and your family. I bet my Mom and Dad and Lucky are having a great time visiting in heaven now. I bet God lets great neighbors be close. Helen you are in my prayers and I am thinking of all the great times we all had as neighbors. I will be in touch soon and be with you in person on the 29th. I am so glad Linda called. I feel your loss and pain. We know they would not want to live. A wonderful thought that gave me great comfort "We don't live to die we live for eternal life in heaven" and Lucky is now in heaven with no pain and for that we are thankful.
