“ *Ed and family of Margaret(including me),  
I have missed Margaret the last few years due to her illness and moving. I wish I had been able to see her more as of late. I know she is in God's hands now and maybe her and Frosty and Chris can get together with Kari and have a chat.  
I think she is happy to be leaved from her pain.  
Margaret was a special lady, special to me and others.  
Miss you always Margaret. Grandma Leota is probably smiling to see you.
