Dear Connie and families. I did not know your mother except for seeing always one of the daughters daily, in her room at Heritage Pointe, playing cards with her, reading while she rested, and much more that I was not aware of. As I walked into my out patient rehab, it was a sight that I loved seeing. I only knew Connie, and I knew her because her Sara and my Sara were and are still good friends. And I had the privilege of working with Sara and her husband's twin boys in preschool. Through the pictures on the video, there was so much love, for her husband, their children, then grandchildren and greats followed. What a life. Everyone that knew her had nothing but precious memories. What a legacy to leave. What a beautiful lady, wife, mother, friend and all she knew, would and have said the same. The love that I saw in her room at Heritage, to me, told the story, well. I'm so very sorry for your loss, all of you. God truly blessed you. We cry, because we first loved, that love first coming from her, and by her. She's in Jesus arms now, but the small glimpses I saw, portrayed her life as one of giving to others, and to her God, receiving from, in her last years, a natural return of her care, to them. Bless you all.
