“ Caroline and Julie,
I am so sorry to hear of Margaret's loss. I know that you don't remember, Julie, but I was Margaret and your babysitter when you both were very young. I think that Margaret was only about 18 months old the first summer that I spent the weekday daytime hours at your home. Margaret was such a sweet little girl (and Julie, too, of course). I have always remembered those days fondly, as happy times. I will keep both of you, and Margaret, in my thoughts and prayers. “ I was shocked and saddened to hear of Margaret's passing. I worked with Margaret for many years in Lansing with Coldwell Banker. As a new real estate agent in the late 90's I had one of my first real estate transactions with her-she walked me right through the whole process, I always remembered how she put me at ease. She was such a caring person person and I always looked forward to seeing her as Margaret always had something interesting to say. May God comfort her family and may she have had a glorious reunion with those she loved who passed away before her.##imported-begin##Lesley LeBrun##imported-end##

“ We were so saddened to learn of Margaret's passing. She was our realtor and sold our house in Holt and then sold us our unfinished condo. She worked with us on making all the decisions to finish the condo and thanks to her advice and skills we have a beautiful condo. We enjoyed working with her so much - a very kind and lovely person. You (her family) are in our thoughts and prayers.##imported-begin##Roy and Betty Murry##imported-end##

“ Mrs Seese and Julie,
Margaret was one of my first and best friends. I have so many memories of being with her at your house, the old one and the new one! I have wonderful memories of us spending one weekend at your house, the next at mine. (your house was always way more fun, though!) We had many adventures; the vacation with you all to Monticello and when she went to Washington DC with me and my family, especially. Margaret taught me how to ride a horse, how to wear eye make-up and even about the birds and the bees. I loved her like a sister and will miss her forever. She was a wonderful friend. Thank you for letting me share in her life.##imported-begin##Wendy (Dunphy) Graves##imported-end##

“ Dear Mrs. Seese and family,

I met Margaret about 15 years ago when we both had booths in an area craft mall. We became friends and she helped me many times in real estate sales for my parents. She was so kind and caring to my father at the time he had to sell his land.

She always was willing to give me advise in her profession when I needed it.

I was so shocked to see her obituary in today's paper.

Please know we are thinking of you and so sorry for your loss.

I will miss her and think of her often. She was a great friend and a credit to her profession.
