“ *I first met Mare when I started to work in Surgical services at the Bluffton Clinic now BRMC. I doubt I would have survived "learning the ropes" in surgery if it had not been for Marilyn and her good friend Gayle. They took me under their wing and introduced me to the wonderful world of surgeons and surgical staff. They were kind and patient and oh so very helpful and reassuring--and along the way we had fun!. Mare would do anything she could to help other staff members and always seemed to have such a gentle and kind spirit. Rest in peace Mare, I will miss you. Milly Fox, RN*

“ *Marilyn was one of the sweetest ladies I knew. She always put her kids first and would welcome their friends with open arms and a warm loving smile. I know i had a couple of dinners/lunches there when i was young . My Mother thought the world of Marilyn. She would say I don't know a better person than Marilyn !!! Thoughts and Prayers to all of you.*

“ *The first time I met Marilyn aka Boopie was at Brenda's home. She was a fiesty spit fire who had us all in stitches as Brenda confessed to childhood shenanigans. Over the years I saw her many times and always enjoyed her spirit and lively look at life. Her daughters are a living testimony to a great mother, and great lady. I am sad you are gone, you will be sorely missed.*
