“ *Ted and Jack, Have been thinking of you both. Your mother was like a second
mother to me. I will always cherish the memories.

“ *Marjorie was our neighbor for thirty three years and she was like a second mother
to me and grandmother to my children. We enjoyed her love for animals, garden
and life stories. After she moved, we spoke on the phone and I was impressed
with how good her memory remained as she recalled so many things about our
family. She will be missed.
